

Please join the Tularosa Basin Downwinders Consortium (TBDC) for a “Peaceful Demonstration” to Bring Attention to the Health Issues Resulting from Overexposure to Radiation after the Trinity Test on July 16, 1945

DATE: APRIL 2, 2016 (the date the site is open to the thousands of visitors who enter each year)

TIME: 7:30 AM AT THE TULAROSA HIGH SCHOOL (to meet those entering at the Tulie gate)
9:00 AM AT THE STALLION GATE EAST OF SAN ANTONIO ON HIGHWAY 380 (to meet those entering at the Stallion Gate)

Plan to be on site for an hour in Tularosa and 3 hours at the Stallion Gate Site. Bring your own water, chair and poster. Information about the TBDC and our efforts to expand compensation to the people of New Mexico will be provided along with copies of the health survey we're collecting to build our case for compensation.
