Re: NMED No. GWB 17-20(P), re DP-1132

Dear Counsel:

It has come to our attention that the Hearing Officer in the NMED proceeding about DP-1132, Ms. Erin Anderson, is now employed by the U.S. Department of Energy, National Nuclear Security Administration, at Los Alamos National Laboratory. We have been told that she began work sometime around the end of November 2018. Please advise us of the date on which the process of obtaining employment with the DOE-NNSA at LANL commenced.

Thank you for your cooperation in this matter.

Very truly yours,

Lindsay A. Lovejoy, Jr.
Counsel for Communities for Clean Water
