

ARMS RACE SUICIDE RACE

**How space-based
warfare is
accelerating the
Sixth Extinction**

Koohan Paik-Mander
*Hawaii-based journalist,
author and peace and
environmental activist*

Koohan Paik-Mander will describe how fast-tracking AI, hypersonic and unmanned space-based warfare is severely hobbling the planet's inherent capacity to regenerate itself in the face of climate catastrophe and other facets of the Sixth Extinction.

Saturday, June 17, 2 pm
UU Santa Fe

1107 West Barcelona Road
Santa Fe, NM 87508

\$10 suggested donation (no one turned away)
Proceeds to be shared by UU Santa Fe and the speaker
